

IN BRIEF...

Re|cover: CRITICAL ILLNESS COVER

A Critical Illness tends to strike at the most inopportune time and creates an enormous emotional and financial burden. This Benefit is specifically designed to alleviate the financial strain through the payment of a cash lump sum to the Policy Owner. The only pre-condition is that the Life Assured survives thirty (30) days following the diagnosis of a Critical Illness, as defined in the Policy wording, after which the Benefit becomes payable. The Critical Illnesses covered by this Benefit are listed below.
